

CHARMANT

CORPORATE SOCIAL RESPONSIBILITY

STATUS 2021 (EN)

INTRODUCTION

As one of the leading manufacturers worldwide of high-quality spectacle frames and medical instruments, the CHARMANT Group always looks to the future and to making a significant contribution in improving the quality of life of people within our scope of activity. This carries a great degree of responsibility which not only applies to our products and how they are manufactured, but also to all stakeholders including our employees, environmental protection and social commitment towards the society in which we live and work.

The guiding principle of sustainable development therefore underpins all of our corporate social responsibility activities. We believe that the integrative consideration of economic, ecological and social aspects ensures long-term corporate success and at the same time creates social benefits.
