Get instant Parisian Chic with ELLE Sunglasses!

ELLE celebrates 75 years at the pinnacle of stylish elegance. Always a step ahead of the times, this coveted fashion bible has also been a standard bearer for female empowerment. Over the decades, ELLE has reached out to women around the world, listening to and telling their stories as they carved their paths toward strong, independent lives. All this while speaking an innovative fashion language that interprets the hottest trends, applauds style originality and comes wrapped in a silken embrace of feminine Parisian panache.

Iconic flair and designer savvy charge ELLE's latest sunglasses collection. These exquisite accessories borrow from a rich palette of fresh, exciting shades and reimagine them in high-quality, on-trend looks. Fiery reds, blushing pinks, intense and pale blues and greens as well as warm neutrals enliven round, cats-eye and geometric shapes. Striking a line between simplicity and originality is the key to ELLE's distinctively Parisian look. These frames master the task, adding gracefully intertwining 3D embellishments or striking lens gradients to classic profiles.

Go the extra mile for style with a gorgeous ELLE anniversary model. Enjoy two new acetate frames in slender or round form with gradient lenses on selected looks. Reflecting the times and ELLE's spirit of empowerment, the mantras "Dare to be who you want" and "Be loved as you are" are laser patterned onto temples.

EL14906 Turn up the cool dial this summer with these chic summer shades from ELLE. This edgy, pilot look is shaped from high-quality, super thin metal, keeping it light and comfortable on hot city days. Rim tops are elegantly twisted into a decorative rope detail and lenses are seductively gradient.
