FRENCH GLAMOUR REDEFINED IN NEW ELLE SUNGLASSES

ELEVATE EVERY LOOK WITH CHIC COLOURS AND ORNATE DETAILS

Paris calling! You don't have to travel far to express Parisian elegance. Hailing from the French metropole, the iconic fashion bible ELLE is the epitome of its cool Parisian heritage. And with a pair of stylish ELLE sunglasses, anyone can transform their look for unique and contemporary Parisian flair. Beyond fashion, ELLE champions women, encouraging them to be independent and embrace their individual talents and looks.

When it comes to creating new ELLE sunglasses, the designers always strike a balance between current catwalk trends and one-of-a-kind elements. New frame shapes in bold acetate or elegant metal are contemporary and striking. Colourful cloisonné mosaic and art deco inspirations are realised in ornate details. All-new colours include watery pastels, stylish blues and latte browns. Classic fans will also find black and luxe metal styles to suit their tastes.

EL14949 Look sun-kissed and sophisticated in these stunning ELLE shades. A unique art-deco inspired gold metal detail stands out on the frame front and temples. This rounded acetate profile comes in classic black, patterned rose and rich Havana.

EL14950 Chic and unique, these bold ELLE sunglasses add a luxe note to summer looks. Made of high-quality acetate, this rectangular expression is available in classic black, blue with an aqua-inspired pattern and brown. The broad temples are embellished by a rippled metal detail.

EL14952 Geometric lines and colourful mosaics set these ELLE sunglasses apart from the crowd. On green and brown models, the acetate profile features dark and light tones on the front. A dainty colour-coordinated mosaic detail enhances the temples. This flattering look also comes in classic black.
