ESPRIT EYEWEAR OPTICAL PRESS RELEASE JANUARY 2021

Enjoy fashionable design, fresh color choices and made-to-last quality that have turned Esprit clothing and accessories into wardrobe essentials for decades. On-trend, yet timelessly classic, Esprit stays ahead of the pack with its vision of creating products that look good, feel good and care for the environment.

The January 2021 optical collection for men and women reveal the authentic Esprit essence. These styles are inspired by global citizens yearning for freedom and wanting confident, relaxed looks that fit their lifestyle vision. Light, durable frames, clear and tinted transparencies and innovative color accents satisfy these needs. Modern frame design puts wearer comfort first with smooth metals and ultralight plastic material.

ET33438 (woman) Geometric lines give this contemporary women's frame a subtly intellectual vibe. The thin metal profile feels light and is perfect for relaxed, everyday wear. Striking color selections, hand-painted accents on rims and shaded end tips will appeal to fashion lovers.
