Esprit Optical Wear Autumn Winter 2022

ESPRIT GLASSES FOR GREAT LOOKS AND PURE JOY

Unlock pure joy with Esprit. Comfortable, casual, and high-quality, whether it's clothing or accessories, if it says Esprit, it's going to look and feel good. New glasses take their lead from this beloved brand's style philosophy with frames for men and women that are both fashion-forward and timeless, fit beautifully and are greatly comfortable to wear.

Esprit autumn winter eyewear focuses on lightweight, minimalist looks in half-rim and full-rim profiles that feature bursts of modern colors and color contrasts. Material mixes add sophisticated individuality through eye-catching volume interplays. Exciting new color selections, such as on-trend variations of blue, pink and brown, make these statement frames the perfect accessories for pairing up with fall season fashions.

ET33466: For light definition on the face, these feminine, barely-there Esprit eyeglasses are the perfect choice. The modern half-rim style has a soft cats-eye shape while side pieces, thin temples and end-tips create a striking volume play. This laid-back look comes in silver, teal or rose metal with transparent tips, or gold with Havana tips.

Colors

508 Teal
515 Rose
524 Silver
584 Gold

ET33465: Looking for casual masculine eyewear? This squarish Esprit men's frame keeps it handsome but simple with a contemporary half-rim expression in striking navy blue, olive green or gold. Thin metal temples and colored or transparent tips present an elegant contrast to the spare front.

Colors

507 Navy blue
527 Olive green
584 Gold

ET33469: These modern Esprit glasses are a smooth fusion of elegance with comfort for work or downtime. Featuring a material mix, the full-rim metal front is offset by soft temples made of ultralight, flexible ultem. The rims are color accented in new tones of purple, brown, blue or green that are carried into the temples. Transparent end tips stand out in this high-comfort style.

Sustainability and joy with fashionable Esprit ecolection glasses

Esprit ecolection presents contemporary eyeglasses made of eco-acetate - a durable, UV-resistant material that is responsibly sourced. The eco-acetate contains a high proportion of plant-based materials, such as cotton cellulose, and it is processed with natural, biodegradable plasticizers. These new ecolection frames feel light and comfortable to wear and come in an array of exciting color expressions as well as sophisticated transparent and patterned looks. These eyeglasses are compatible with polycarbonate lenses and are easily adjustable thanks to a flexible metal core in the temples.

ET33473: Be stunning and sustainable in this unisex ecolection frame by Esprit. Square and angular with slender temples, these statement eyeglasses are made of patterned eco-acetate in fresh blue, gray or Havana. A shiny finish gives these eyeglasses a subtle glow.

Colors
543 Blue
505 Gray
545 Havana

ET33474: Work for the planet in these feminine ecolection eyeglasses by Esprit. The plant-based eco-acetate frame looks stunning in transparent gradients of rose, blue or Havana. A shiny finishing adds a nuance of glamour to this everyday style.
