Spring/Summer 2021

Smart, charming and always looking good, the ELLE woman typifies the urbane individuality of Paris. She loves the crowded city at night and quiet mornings in the parks. One thing stays the same no matter what her surroundings; her look is always effortless and one-of-a-kind.

The January 2021 optical collection mixes modern and vintage impulses from Parisian architecture with elegance and femininity. Designers have fun with volumes like thin frame lines, denser end pieces and accented browlines. Intertwining forms inspire ornate frame elements. Tinted end tips and colour accents in fresh spring neutrals and earthy shades, or all-over colours are the finishing touches on these new chic optical designs.

EL13495 Kick off the new year with this stylish eyewear from ELLE. Inspired by the elegance and finesse of the French metropole, this subtly catty metallic frame in soft spring neutrals features a confidently accented hand-painted browline in beige, brown, dark grey or red.

EL13496 Upscale your style with this fashionable model! The slender catty profile emits Parisian flair in filigree metal and hand-painted adornments in blue, light brown, green or pink. Lightweight and lovely, this modern look is perfect everyday elegance.

Spring/Summer 2021

EL13501 ELLE channels the sophistication of modern Parisian architecture into this graceful new frame. The soft rectangular shape is feminine and contemporary, while a volume play exaggerates the browline in brown, green, dark grey or wine shades. A spring hinge enhances wearing comfort.

EL13503 These bold ELLE glasses are a sure attention grabber. Stylish women will love the subtle braided elements on both front and temples. A fine elegant metal detail on the front completes the look. Fashioned from lightweight TR90 in striking blue, pink and purple as well as classic black.

EL13505 The metal profile of this slender model features a seductive cat's eye tilt. The braided design of the end-pieces and temples bring richly wrought metallic jewellery to mind. Soft neutral tones are combined with hand-painted rich colour accents in blue, brown, green and pink.
