January Releases

Line Art CHARMANT's newest release features five women's ophthalmic styles available in a variety of shapes and temple lines. For January 2019, CHARMANT is unveiling their newest temple line, Waltz.

Waltz

Featuring a uniquely beautiful construction of three rings connected with arched Excellence Titan strands—the look is designed to mimic the famous “waltz” dance music in triple meter.

XL2134 – This rimless frame features our newest Waltz temple line that is constructed with your utmost comfort and unique personal style in mind. From front to back, the rings decrease in size and finish with a smooth, glossy temple tip. Available in gold-plated, rose-gold, and white plated.

XL2135 – This frame is a beautiful semi-rimless style with our newest Waltz temple. The unique rings create harmony and balance while the vibrant color technique adds a surprising twist. Available in brown, rose gold, and teal.

Vivace

XL2136 – Expanding on the Vivace story, this temple line is characterized by its sleek design featuring two fine parallel lines that produce a smooth, streamlined look. This rimless frame with Vivace temples is both elegant and subtle. It is also accented with Swarovski crystal detailing. Available in brown, rose, and white plated.
