

CHARMANT TITANIUM PERFECTION: style and comfort redefined in superior Japanese eyewear

CHARMANT Titanium Perfection eyeglasses are the ultimate fusion of innovation, elegance and superior wearing comfort. These technically advanced, minimalist frames are made of ultra-light, ultra-flexible titanium materials, ensuring peace of mind and quality that stands the test of time.

About New Models :

New Autumn/Winter 2023 models are a testament to modern design aesthetics. These eyeglasses impress with their clean surfaces, outstanding quality and high-tech crafting. Exclusive style details, such as hand-painted accents and overlapping, stripped or textured temples, enhance the edgy vibe. Luxurious, vintage, bright or priceless metallic frame colours lend undeniable allure and create eye-catching statements.

Wearer's Benefit :

- Long-wearing comfort thanks to light, premium titanium and superior design
- Timelessly elegant looks for men and women
- Quality that's built to last: glasses that promise long-lasting wearing pleasure

Men's Models

Eyewear must-haves for the modern gentleman: clean, sophisticated, unique

CH29740

CH29741

These suave looks take masculine elegance to new heights. Colour contrasts on this khaki, black, dark brown or navy model (CH29740) add a playful note to the cool expression of this soft rectangular milling style. For a look that will suit any face, try this simple rectangular profile (CH29741). Sleek colour variations evoke an urban vibe. On both frames, strip designed temples emphasise CHARMANT Titanium Perfection exclusivity.

CH29742

CH29743

Discover new sophistication in these highly individual, lightweight men's models. Well-defined contours on this grey, black or brown milling profile (CH29742) create a stylish accent on the face. This popular panto look (CH29743) has rounded edges and achieves a flawless blend of on-trend and vintage aesthetics. For added originality, both of these frames display a colour-accented line that travels from the front across the hinge into the temples.

Women's Models

Unlocking feminine style potential:
contemporary designs with stand-out colour notes

CH29839

CH29840

Lovers of elegance and unique design highlights will adore this eyewear. On the soft pantos model (CH29839), hand painted Neo2 colour accents in blue, orange or pink, make the rims pop. These striking rounded glasses (CH29840) feature fresh tones of blue, green or grey on the brow line, delivering instant chic. The temples on both styles reveal an exclusive hand-blasted effect.

CH29841

CH29842

These lightweight frames captivate with their clean look, sophisticated colour expressions and ornamental temples. Tantalising rim tones elevate this rounded catty style (CH29841). Take your pick from sweet pink, raspberry red, sage green or Atlantic blue. This popular nylon style has a modern twist: gorgeous orange, pink, purple or blue run along the rims. An artisanal touch, featuring an overlapping design structure, adds memorable flair to the temples
