NEW ESPRIT GLASSES: ACCESSORIZE YOUR FALL LOOK WITH FRESH COLOURS AND SHAPES

Esprit! That's the word for casual, comfortable and high-quality apparel and accessories for sophisticated and authentic styling. Using bold colors and on-trend patterns, Esprit fashions inspire joy and celebrate individuality.

For the new fall season, Esprit presents an attractive range of modern glasses that will dress up every business and leisure look. Full metal and mixed material frames are revealed in understated and intense new tones of green, blue and pink as well as classic shades. Transparent or patterned expressions, geometric forms, in-between details and super-flex materials are just some of the other highlights of this new line. Esprit's ecollection, featuring more sustainable eyewear, presents four new models that are on trend and perfect for lovers of responsible fashion.

Full Metal Mystique

ET33487 Woman

Be instantly elegant in this fresh and feminine Esprit frame. The pretty full metal expression has a subtle cat-eye shape. Matt and shiny tones of blue, rose, black and Havana perfect the slender lines while transparent tips add lightness and look truly unique.

Earth-friendly ecollection

Looking for responsible but on-trend fashion eyewear? Then try an ecollection style. These light, durable frames come in a huge variety of colors and modern shapes to fit your style. Ecollection eyeglasses are crafted from bio-acetate, a plant-based material composed of cotton cellulose and biodegradable organic plasticizers. This material is responsibly sourced and certified by international non-profit The Forest Stewardship Council. These glasses are compatible with polycarbonate lenses, feature standard glazing and have a metal core for easy adjustability.

ET33495 Woman

Classic and feminine, this cat-eye model boasts a gradient front that softly blends into solid-colored temples in gray, teal, red or brown. This frame is tapered, giving it a lighter feel and a unique angular look from above and below.
